# At the Crest of a City that Never Rests

From first light to late evening, the city unfolds in measured brilliance along Sheikh Zayed Road. Here, Sobha Central takes its place above it all — shaped by light, height, and perspective, and defined by a quieter, more refined rhythm of living.

WELCOME TO

# SOBHA CENTRAL

WHERE IT ALL CONNECTS

# Where Everything Meets

Set along Sheikh Zayed Road, Sobha Central offers a distinguished address at the heart of Dubai.

Six architecturally striking towers are seamlessly connected, by a private road access to the nearby metro, ensuring fluid movement across the city.

Within this integrated destination, impeccably crafted 1 and 2 bed room residences rise amid sweeping skyline views, framed by thoughtful design and modern elegance.

# Arrive with Elegance

In a city defined by pace, comfort begins with clarity of access. Sobha Central moves in harmony with Dubai, offering direct connectivity through two dedicated lanes and a rare fly-out bridge from the second-floor podium, ensuring arrival feels instinctive, not imposed.

# Direct Access.
# Distinct Advantage.

For those arriving from Abu Dhabi or making a swift return within Dubai, a dedicated ramp-in ensures seamless entry.

This level of infrastructure, typically reserved for landmark commercial addresses, positions Sobha Central as a defining moment in Dubai's mixed-use evolution.

# Views that Transcend the Ordinary

From its privileged position, every outlook opens wide to the city beyond.

Panoramic views extend across Downtown Dubai, DIFC, Dubai Marina, and far into the horizon, capturing both the city's dynamism and its moments of calm.

Here, open skies and shifting light frame each residence, transforming everyday living into an ever-evolving canvas of Dubai's skyline.

# A Community Shaped Around You

Thoughtfully integrated workspaces and elevated retreats invite moments of focus, connection, and renewal.

From business lounge to fitness zone, from shaded green pockets to daily conveniences, the community unfolds naturally, designed for lives that move with purpose, balance, and ease.

# Work. Live. Align.

At Sobha Central, professional life and personal wellbeing exist in quiet equilibrium.

With 175,000 sq. ft. of premium office space within the development, productivity remains close, yet never intrusive.

Residents enjoy access to refined co-working lounges and a dedicated business centre, just moments away.

Across the community, experiences flow effortlessly, from wellness and performance spaces to tranquil gardens.

# Details that Reward Attention

More than a residential address, this elevated destination redefines everyday refinement.

From the Grand Prayer Hall and boutique retail to resident-only lobbies, each element is shaped with intention.

Jogging tracks, landscaped courtyards, and serene garden sanctuaries turn daily routines into considered moments of calm.

# The Rhythm of Life, at Your Feet

At ground level, a curated retail promenade brings together cafes, boutiques, and essential conveniences.

Mornings ease into coffee, afternoons invite conversations, and evenings settle into a gentle city hum.

Every interaction feels intuitive, connected to the pulse of the place, yet comfortably removed from its intensity.

# Leisure, Elevated

Across terraces and shared spaces, leisure unfolds with understated grace.

INTRODUCING

# THE PINNACLE

AT SOBHA CENTRAL

# THE PINNACLE

AT SOBHA CENTRAL

# THE PINNACLE

AT SOBHA CENTRAL

Rising as the highest expression of the community, The Pinnacle is defined by elevation, clarity, and calm assurance. From its commanding position above the city, it offers a life shaped by perspective, where every view is wider, every moment more considered, and living above it all feels entirely natural.

# A Height Beyond Comparison

At the very heart of the city, one tower ascends above the rest. As the tallest residential tower in the development, The Pinnacle at Sobha Central is the natural culmination of three defining principles: Elevation, Vision, and Masterful Design. From this rare vantage, residences enjoy uninterrupted panoramas and a sense of quiet authority. Not defined by excess, but by perspective. The Pinnacle is for those who understand that true distinction is felt, not announced.
